01 reasonably assure the safety of other persons and the community.

02 FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

03 (1) The Indictment charges, in Counts 2 through 4, offenses which give rise to a
04 rebuttable presumption of detention. Defendant has presented nothing to rebut that
05 presumption. He and his counsel have, in fact, stipulated to the entry of a Detention
06 Order in this case.

07 (2) Defendant has also been charged with different offenses in the District of Idaho. He
08 was released on bond in that case, and allegedly failed to appear as directed and
09 absconded. That court ordered a warrant on the alleged bond violations. When
10 defendant was arrested, that court ordered his detention. Release on the charges in this
11 court is therefore a moot issue.

12 (3) Defendant has a lengthy criminal record, including several very serious offenses.

13 (4) He has no known ties to this area, although he declined to be interviewed by this
14 court's Pretrial Services Officer, so any alleged ties cannot be verified.

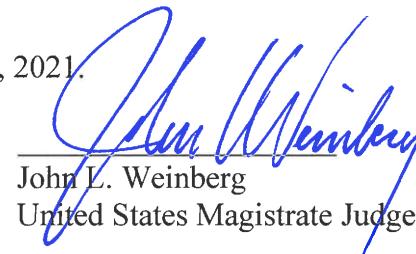

15 It is therefore ORDERED:

16 1. Defendant shall be detained pending trial and committed to the custody of the Attorney
17 General for confinement in a correction facility separate, to the extent practicable, from
18 persons awaiting or serving sentences or being held in custody pending appeal;
19 2. Defendant shall be afforded reasonable opportunity for private consultation with
20 counsel;
21 3. On order of the United States or on request of an attorney for the Government, the
22 person in charge of the corrections facility in which defendant is confined shall deliver

01 the defendant to a United States Marshal for the purpose of an appearance in
02 connection with a court proceeding;

03 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel
04 for the defendant, to the United States Marshal, and to the United States Pretrial
05 Services Officer.

06 DATED this 29th day of November, 2021.
